## **Student Loan Budget Worksheet**

| College Costs        | Student Semester Budget |
|----------------------|-------------------------|
| Tuition & Fees       |                         |
| Books                |                         |
| Supplies             |                         |
| Miscellaneous        |                         |
| Equipment            |                         |
| Total College Costs  |                         |
| Income               | Student Monthly Budget  |
| Employment           |                         |
| Grants               |                         |
| Scholarships         |                         |
| Work-Study Income    |                         |
| College Savings Plan |                         |
| Miscellaneous        |                         |
| Total Income         |                         |
| Expenses             | Student Monthly Budget  |
| Housing              |                         |
| Utilities            |                         |
| Phone                |                         |
| Food                 |                         |
| Emergency            |                         |
| Day Care             |                         |
| Car Expenses         |                         |
| Miscellaneous        |                         |
| Total Expenses       |                         |

If you pay some bills multiple months in advance, divide total payment by months paid to get the average monthly payment. For example,  $$450 \div 6$ months = $75$ per month$ 

| A. Calculate | e Net Income  | <del>,</del>              |
|--------------|---------------|---------------------------|
| Income - C   | College Costs | s - Expenses = Net Income |
|              |               |                           |
|              |               |                           |
| \$           |               | .00                       |

Number of Months in a semester × Net Income

Add the Net Income together for each semester you are applying for.

**C.** Do you have enough to cover your expenses?

| O V | O N - |  |
|-----|-------|--|
| Yes | No    |  |

**D.** If you answered No, how much do you need for the semester?

It can be helpful to use the total amount needed as the loan amount you want to request. Loan disbursements begins after the last day to drop a class with a refund; to begin no earlier than mid-semester. If you have any questions, please contact us by phone, email, or visit the Financial Aid Office.
