

Paying for Classes

PVCC WILL NOT send you a bill for your classes. You must set up payment by the payment deadline, which can be viewed at www.pvcc.edu/payment-deadlines

If you do not pay your tuition by the deadline, you will be dropped from classes.

Here are the most popular ways to pay your tuition and fees:

- 1. Pay online:** You may pay your bill online through **Make a Payment**, which is located on Student Center in SIS: [Student Information System](#).
- 2. Payment Plan:** Signing up for a payment plan allows you to spread your tuition payments over smaller installments. www.pvcc.edu/paymentplan
- 3. Financial Aid:** [File your FAFSA](#) and check to see if you need to provide additional information. You do not have financial aid until you receive your “award letter” from PVCC’s Financial Aid Office. Once your financial aid posts to your account, it is your responsibility to verify the amount will cover your tuition.
- 4. Scholarships:** Scholarships are available through the PVCC Educational Foundation. PVCC offers a one-step financial aid and scholarship assistance process. To be considered for any scholarship, financial aid or grants, you must complete a FAFSA. www.pvcc.edu/scholarships

If you have been awarded a scholarship by an outside organization (such as the City of Charlottesville, the Rotary Club) contact the [Cashier's Office](#).
- 5. 529 Plans/Third Party Pay:** Students using 529 plans or have an employer or outside organization paying their tuition should contact the [Cashier's Office](#).
