**Today in the Charlottesville region there are 12,034 families (19%) that do not earn enough income to meet their basic needs. Network2Work@PVCC uses a political-style ground game of more than 250 well-connected individuals to identify job seekers. These connectors identify low- and no-income individuals who would be a good fit for a quality job in our community—jobs that pay \$25,000 or more and don't require a college degree.**

**A Navigator is a person who is interested in supporting those who are struggling in our economy by providing ongoing encouragement and connection to Job Seekers as they work toward their career goals and aspirations.**

## **Network2Work@PVCC NAVIGATOR**

An individual, perhaps you, who:

- Is willing to be connected to a job seeker in our network
- Serves as a source of encouragement for their job seeker(s)
- Can check in with their job seeker on a weekly basis (text/email/phone, etc.)
- Understands that people don't like asking for help, and is willing to act as an "early warning system" when their job seeker needs help but would hesitate to ask for it unless prompted
- Will notify the Network2Work@PVCC staff when their job seeker needs assistance
- **Time commitment:** 15-30 minutes/week to stay in touch with their job seeker and relay any needs to the Network2Work staff, plus a one-time 30-minute training
