NETWORK 2 WORK @PVCC

Real Jobs. Real People. Realizing Potential.

Summer 2019

Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current that can sweep down the mightiest walls of oppression and resistance.

Question of the Month

Farewell's & Transitions

After 3 years, we have bittersweet emotions about losing our Peer Network Coordinator, Sarah Mendoza. While Sarah's last day with Network2Work was Friday, July 19, we are very happy that we will continue to work with Sarah in her new role as the Program Manager of Contract Training at PVCC's division of Workforce Services. To sum up Sarah's impact on our community and Network2Work, Dean Ridge Schuyler stated, "Sarah has poured her heart and soul into building our Peer Network, which is the foundation of our approach to serving job-seekers. She built the Peer Network from the ground up, and was key to making the program what it is today. We wouldn't be where we are without Sarah."
